ACMRO'S SONG FOR THE
110TH WORLD DAY OF MIGRANTS AND REFUGEES 2024

# *"O God Who Walks With Us"*

LYRICS: DON GOMEZ | MUSIC: NILO NUCUP

**I.**
**Lord, help us to keep on walking**
**Sustain us, O Bread we are blessing**
**We encounter you in moments of grace**
**To you alone, we fix our gaze.**

**Refrain:**
**O God who walks with us, your people**
**From wanderers, now called pilgrims**
**By your hand, you guide your beloved nation**
**To our true home, where your love reigns.**

**II.**
**Lord, help us to keep on sharing**
**Nourish us, O Bread we are breaking**
**We encounter you in our co-pilgrims**
**What we do to them, we do to you.**

**III.**
**Lord, help us to keep on growing**
**Bind us, O Bread we are celebrating**
**Send us all to the fringes and margins**
**To draw all people to this pilgrimage of hope.**
